Guidelines for Manalapan Montessori in Coordination with the New Jersey Department of Children and Families Office of Licensing New Jersey Health Department

Updated Guidelines

Manalapan Montessori has reassessed the Covid 19 / variant, Monkey Pox and RSV numbers. We are happy to say right now the numbers are in a safe threshold and masks voluntary.

We are including these state guidelines/procedures in this letter to our families to work together to create a safe and healthy School environment. If you have any questions, please, contact susan@manalapanmontessori.com.

Please continue to check the website www.ManalapanMontessori.com for any updated information

Drop off and Pick Up

Hours of Operation: 7:00 AM-6:00 PM daily, to comply with the cleaning and sanitizing guidelines.

- **To minimize the # of people in the school, there will be no outside visitors permitted in the school during operating hours except emergency personnel, regulating officials or enrichment staff.**
- We want our students and staff to enter by the front entrance. We will screen you, inside the front door under the red awning.
- **Please keep social distancing or wait in your car until You see the front door area is empty.**

Proceed to that entrance and a staff member will be waiting to greet you and take temperature. Please remember to scan your child into school.

Pick-up Procedures

- Please call the school upon arrival. The staff will escort your child outside of the Front entrance. Please allow a few minutes for us to get your child's backpack.

Daily Health Screening

- **There will be a daily symptom and temperature check with a contactless thermometer.** Any child or parent with a temperature of **100.4 and higher** or shows signs of sore throat, cough, shortness of breath, chills, nausea and diarrhea will not be allowed to enter the building. If any staff or student has a temperature of **100.4 and higher**, they must stay home, be fever free for 48 hours and have a Dr. note upon return.

If your health changes, please. Notify the school.

The quarantine guidelines include siblings because we frequently, see when one sibling is positive the other child will likely become positive.

Quarantine time has been updated -School Policy and Health Dept For Domestic Travel and International Travel

Please follow the school CDC Policy

- Manalapan Montessori is a private school. The safety and health of our students and staff is a priority. Students traveling out of the United States must quarantine 3 days before returning to school. We recommend a Dr. note upon returning to school.

*If a child tests positive for Covid or a communicable disease

Students must quarantine 5 days and wear a mask for an additional 5 days upon return.

We recommend a Dr. note upon returning.

Updated School Operating Procedures

- A child or staff member that develops symptoms of COVID-19 , communicable disease, cough, shortness of breath will be removed from the class and placed in an unused classroom with a staff member until the child is picked up. As stated on the screening form, please be prepared to have an alternate pick-up person if you are unavailable. A message will be posted on front door and the classroom will be notified via Procure and /or email.
- Our Head Teacher spends lots of time with your child. If they feel your child is under the weather, lethargic, and shows symptoms, she will call you (parent/ guardian) to pick up your child. We want to be safe instead of sorry. Please respect the Teachers opinion.
- We have changed the filters in the HVAC system
- There will be no outside visitors permitted in the school during operating hours except emergency personnel, regulating officials and/or enrichment staff.
- Children deciding to wear a mask will not wear facemasks during nap, snack, lunch, and outside play.
